## **NEW CLUB APPLICATION REQUIREMENTS**

Thank you for your enquiry. The process for a Club to enter the AFL Masters Victorian Metropolitan Superules Football League (AFLVM) is to submit an Application for Membership.

The following must be supplied:

- A letter from the Club President supporting the initiative if affiliated with a local Club.
- A letter from the council supporting the use of proposed facilities.
- Committee structure, including how your Team will integrate into the existing club, if applicable.
- Copy of the Club Constitution and incorporation.
- Copy of Club Annual Report, if applicable.
- Details of your recruitment strategy and a list of potential players.
- Completed AFLVM Application Form.
- Completed AFLVM Information / Registration Form action plan.
- Is the new applicant an Incorporated Body? If yes, please provide documented proof.
- Are they affiliated through their Senior Club? If yes, please provide require documented proof.
- Number of change rooms your club facilities has.
- Images of your Club jumper, shorts and socks (front and back of jumper). Club will be required to produce AFLVM approved apparel prior to season start.
- List of proposed players on your Club's current list. Are any players being sourced from other AFLVM affiliated Clubs?
- Number of Teams (and age groups) your club would like to enter.

AFLVM representatives will be required to inspect:

- Club's ground including condition and size
- Car parking facilities, i.e. car park off road or parking on road and how many
- Clubrooms and change rooms, size, showers, condition, canteen facilities.

The following will be considered by the Board upon application:

- What structure & support the existing Club offers.
- How the team will integrate into the existing football community.
- The demographics and location of the proposed team in relation to existing AFLVM Clubs.
- The submitted application including supporting documentation.
- Participation in grading matches if required.

**Applications close end of business 1 October each year.**
