

NEW CLUB APPLICATION REQUIREMENTS

The process for a Club to enter the AFL Masters Victorian Metropolitan Superules Football League Inc (AFLVM) is to submit an Application for Membership.

APPLICATION PROCESS

Step 1:

Email admin@aflvm.com.au with your intention to submit a New Club Application. This will allow AFLVM to provide any additional information that may be relevant to your Club's circumstances.

Step 2:

Complete the Application for Membership Form.

Step 3:

Complete the Supporting Documentation using the checklist below.

Step 4:

Submit the Application for Membership with all supporting documents to admin@aflvm.com.au. Please note that missing information may delay your application.

Applications close end of business 1 October each year.

Step 5:

AFLVM will process your application and send to the Board for approval.

Final approval will be subject to inspection of:

- Club's ground including condition and size
- Car parking facilities and available street parking
- Clubrooms and change rooms (size, showers, condition, canteen facilities)

The Board will consider the following upon application:

- What structure and support the existing Club offers
- How the team will integrate into the existing football community
- The demographics and location of the proposed team in relation to existing AFLVM Clubs
- The submitted application including supporting documentation
- Participation in grading matches if required
